

CEMETERY TRUSTEE MEETING
MARCH 20, 2010

PRESENT: Don Burke, Janet Brown, Rob Gordon

GUEST: Judy Rogers

Meeting called to order @5:00pm.

The April minutes were read and accepted by all.

Don Burke said the funding for construction and repairs in the amount of 25,000.00 was voted down on Tuesday, March 9th.

We need to look at our financial resources that we have left over and plan to get some projects done.

We will get prices for the replacement of damaged fence at Center Square Cemetery on East Street. The entire fence has to be replaced.

We will call Goss Lumber for price of pine and hemlock. Don will call company for price on vinyl fencing. We called Andover Fencing for prices also. We hope to have all information for April meeting so decisions can be made. We hope we can have fence done for Memorial Day.

Mr. Bruce Richards, Sr. of Cutting Blade Lawn Care is requesting extra money for cleanup of Pine Grove Cemetery because of severe winter limbs, and branches all over that cemetery. Don is going to try and get inmates to help clean it up to keep expenses down.

We will remove old damaged fence at Gove Cemetery this Spring.

Don will research funds on Thursday to see what funds are available.

Meeting adjourned at 6:02p.m.

Respectfully submitted,

Janet Brown
Secretary
